

SAMPOORNA

TRANS MASCULINE, INTERSEX & INTERGENDER MEET, 2014

Request for Expression of Interest [EOI] For Indian Applicants

Introduction

Dear Prospective Participant,

Sampoorna ^[1] is inviting an Expression of Interest (EOI) from self identified, trans masculine ^[2], intersex and intergender persons from different parts of South Asia and interested in meeting others from the region.

Let's meet, talk, think, and evolve together a trans masculine, intersex and intergender agenda for the times to come!

The meet will be held from **30th May to 1st June, 2014** in **Mumbai**.

The selections will be based on the geographical area you come from, your work as a trans* and/or intersex, and/or intergender activist, and your self-identity within the trans masculine, intersex, intergender spectrum. The last criterion is in order to ensure that we are able to build as wide a representation as possible for this meet.

Given the limited resources we have, we are trying to host as many people as we can. We would like to specially encourage applications from young trans*, intersex and intergender activists who are just starting out.

Date of EOI announcement: **16th February, 2014**

New deadline for submission: 5 pm, 28th March, 2014

Email address for submission: conference.sampoorna@gmail.com
